According to Iowa Law (Chapter 177A, Code of Iowa), nursery stock sold in Iowa must be annually inspected during the growing season. It is illegal to move, or offer Iowa grown nursery stock for sale, without a current certification of inspection, which is based upon an inspection conducted the previous year. If you plan to sell nursery stock in 2014 that are you currently growing in 2013, that stock must be inspected this summer.

**Please complete, sign and return this form in the envelope provided – even if you are not requesting an inspection.**

- ☐ Yes, I am requesting an inspection because:

  - b) I want an inspection for my own information.
- ☐ No, I am not growing stock for sale in 2014 thus, do not need an inspection.
